A woman in a red Thai wedding outfit, adorned with a pearl necklace, is smiling and holding a small golden object. In the background, another person's hands are visible, one holding a large bouquet of white flowers. The scene is set outdoors with greenery in the background.

“Thai wedding is very festive affair. The traditional wedding ceremony starts with a long drum parade through the resort and then takes place in a Sala directly on the beach. The ‘bonding ceremony’ with flower chain connecting the hands of the bride and groom or between garlands on the couple’s head is a key component of the ceremony”

A black and white photograph of a wedding reception on a beach at night. The scene is illuminated by warm, low-key lighting, possibly from palm trees or lanterns, creating a romantic atmosphere. In the foreground, a bride in a long, flowing white gown is dancing with a man in a dark shirt. To their right, the bride and groom are standing close together, looking at each other. In the background, other guests are visible, including a man in a white shirt and dark shorts. The ground is sandy, and there are palm trees and other tropical plants in the background. The text "Wedding Reception" is overlaid in a large, white, cursive font across the center of the image.

The background of the image shows an outdoor wedding reception area. In the foreground, a large, lush floral centerpiece is visible, featuring white roses and bright yellow flowers with green foliage. Behind the flowers, several white wooden chairs are arranged around tables. The background is filled with numerous strings of warm white LED lights hanging from trees, creating a bokeh effect. The overall atmosphere is romantic and festive.
